1893. With which is incorporated THE CHINA DIBECTORY.

This is the THIRTY-PIRST ANNUAL LIBUE. and will be found, as usual, to show an advance on preceding years both in fullness and accuracy of information.

The DIBECTORY covers the whole of the ports and cities of the Far East, from Penang to Vladivostock, in which Europeans reside. Not only is the Directory as full and complet n such case as it can be made, but ruch Colony. Port, or Settlement is prefaced by a DESCR II TION, carefully revised each year, some of which will serve as accurate Guidus for the Tourist, giving every-detail in connection with the places. their History, Topography, &c., &c. The Information afforded in these Descriptions alone would suffice to fill an ordinary volume, consisting of over Erenty highly interesting articles, packed with facts concisely set out, and

containing statistics of the TRADE of each Conntry and Port. The work contains Directories and Descrip-

tions of

Arolidencon Wolfe writes to the Foschen Esko in reference to the reported settlement of the Kien Ningtonbla. Several items of the agranment, he mys have not been carried out by the Chinese Atherities. The concluding para graph of the letter is as follows: -" I understand, also that they have bud the boldness to send, through the hands of H.M Acting Consul, a petition to H.M. Minister at Peking, asking that thetranty rights of British missionaries b, suspended as far as Kien Ning and Yen Ping are concerned and that they be excluded from these we profestures, where, for over twenty. years, they have been peaceably carrying on their missionary work. It is to be hoped, however, that H.M. Min ster will not listen to any such illegal domand."

The ouplain of a Ningpo junk, just arrived at Foodbow, reports that he was taken by pirates. who, however, fluding that his junk carried nothing but tallast, set him free again. He states that aventeen well armed piratical junks are at present ornising round Ningpo, Chusan Dr. Siogort's Angostura and Foodbor, attacking all junks trading between the ports. He believes the orews are Cantum men as those he talked with sooks Can-Lonese. He has petitioned the Vicerov to put a gamboat primanently at his and his friends' disposal to coavoy the flects of triding junks to and from Ningpo, offering to subscribe \$12 per inneper annum to meet expenses. His Excellency as refused to grant the patition. while, as to be offer made to meet the expenses. he remarks that it would not be sufficient to defray the cost of the coal. At the same time that His Emilency refuses this petition we do not doubt that he will send out guabouts as promptly as possible to look after this reported

piratical fist-Roho. The object and reasons attached to the Bill amand the Hongkoug Code of Civil Propedure, read afirst time at the meeting of the Logislative Connoil yesterday, are as follows : -Proceedings by and against purtnership ficms have, in this Colony, since 1873, been regulated by Section Mot the Hongkong Code of Civil Procedure. That law has not worked quite satisfactorily In England a new set of Bales dealing fully with this ambjoot came ! into operation on 1st July, 1891. The embediment of those Rules in the Honglering Code, in that to show that it was never included at get their money. It was suggested in Council diagnos provides that no officer or volunteer and approved by them, effects that object. This shall firm any offence against the Mutlay Acts amendment of the Code should amongst other The same and approved the second reading for a fact two handed thousand pounds for the purpose of above Company was beld restorated by the more approach of the two handed thousand pounds for the purpose of above Company was beld restorated by the things facilities the collection of debts from Chinese firmstrading as they often do, under styles which do not reveal the names of the part-

THE HONGKONG, CANTON AND MAOAO STEAM-BOAT COM-PANY, LIMITED.

The following is the report of the Board of The directors beg to submit to the shireholders the report and statement of accounts for the half. your ending Stat December last. After paying running exponent, malaries, premis of sat account, the same of \$7.714.97 at gredit of Profit to new account.

Low rates have prevailed during the half-year and here are no festures of special laterest to report in nnection with the warking of the steamen. During the six months the Powers has authorgone to usual annual survey and overhaul in dook as aquired by Government. The Haungahan has also son docked for closning and painting and for certain ingire in connection with her stranding, a portion of e cost of which is resoverable from underwriters. All the company's steamers are now in good running or ler. Considerable repairs to the wharves at Hongkong and Canton have also been found necessary he cost of these is included in the accounts now

The properties mortgaged to the Company were avained by Messre. Polmer & Turner of the Slat December 1 cet. and the valuations show them to be good security for the amounts loaned. The retiring auditors, Mesers. A. O' 1. Goardin and Handerson, offer themselves for re-election.

To remedy this, the Courts stances of the application of the same law in of law invented the fiction of a lost grant by England, but this consideration does not make the court of the same law in the consideration does not make the court of the same law in the court of the sam

JORDA seconded, the re-election of Mr. Full which enacted (Section 3) that "where the delivered by the desired of many which their conditions of multic policy, which their conditions of multic policy which their conditions of multic policy which their conditions of multic policy. Mr. D. R. Sassoon proposed, and Mr. P. of Legislature. Then came the Prescription Act, | England independently of any statute, is found, great theres. Also to the reneral public for which enacted (Section 3) that where the out apon consideration or main special privileges for advertising the had 22nd Jan, had moderate and light N.E. mon- access and use of light to and for any dwelling; seem to be an applicable to Unnang as to Eng. has given pecial privileges for advertising. The had 22nd Jan, had moderate and light N.E. monhonse, workshop, or other building shall have been land. So in One Court (suit No. 98 of 1882). Committee beg to tender their best thanks. - soon to Chap-I Island, thouse to part light The Chairman—This concludes the business of the meeting, gentlemen. Lum-much obliged for your attendance.

Mr. J. Grosman and such as the directors, and I think the thanks of the shareholders are so much substitution of a weltten land for its object that the thanks of the shareholders are so much substitution of a weltten land for its object that the contrary netwith the right to bring an action for the recovery thanks of the shareholders are so much substitution of a weltten land for its object that the contrary netwith the right to bring such action for the recovery thanks of the shareholders are so much substitution of a weltten land for its object that the contrary netwith the right to bring such action for the recovery thanks of the shareholders are so much substitution of a weltten land for its object that the contrary netwith the right to bring such action for the recovery thanks of the shareholders are so much substitution of a weltten land for its object that the contrary netwith the right to bring such action for the recovery thanks of the shareholders are so much substitution of a weltten land for its object that the contrary netwith the right therefore it was held by Sir Groupe Phillippo that the Sir Grou think the thinks of the shareholders are so much the more due to them. I hog to propose a vote law foliation of a written law for the developed to cover this case as now presented. It cannot be more due to the directors for their services.

We Moreover accorded and the reviews. been resorted to. It does not, however, necessarily not, I think be donbited that the English law, apply to every case. For example, it is a constitu- which under cortain circumstances gives a right tional rule that the Crown is not bound by any sta- | Deseas of light after a pariod of uninterrupt. tute unless it is expressly mentioned. It has been ed enjoyment, is founded upon general conaccordingly, decided that the statute cannot siderations of justice and convenience rather give a right to the socess of light as against the than upon may special lecal circumstances Crown (Perry v. Eames, 1891, 1 Ch. 658), In existing in England only. Though not to be cases where the operation of the statute is ex. met with in all systems of law, it has its proto-oluded recourse may be had to the flotion of a type in the servitude set luminibus officiatar of lost grant or to the earlier prescription at nom- the Roman law, and it was recognised in the mon law so far as they may be applicable. great case of Angers o Dulton, L.B. 6 Ap. They are not abolished by the statute, but Cases as exemplifying the general principles of merely rendered useless in the majority of the English common law with report to pastcases. The above being a general statement of ments of a negative character. It is said that subject of ancient lights. I have now to consider not inhabited by a pivilized community, but whether it is in force here, or rather whether it does not follow that it is necessarily map-This was a case in which judgment was given it is necessarily not in force here, for that is what plicable in a country where the establishment of recently in the Sammary Courtefor the plaintiff; the defendant has to make out. It is a well-known a nivilized community is contemplated and, inwho recovered from the defendant and his surety constitutional principle that the first settlers in deed, already commerced Had the enacting n sum of \$700, being the value of a package of a new colony carry with them so much of their part of section 3 of the Prescription Act been treasure optrusted to his core. The defendant laws and liberties as the nature of things and ombedied in a local Ordinance and promulgated Wilkinson), represented the appellant, and Mr. brought into force in a new Colony where no be applied. No right would accrue until brought into force in a new Colony where no be applied. No right would accrue until brought into force in a new Colony where no be applied. No right would account the recognised system of law was previously administ law would apply in defining the enjoyment not tored. So far as it may be material. I think that this law would apply in defining the enjoyment. The Chief Justice said—I think that this language is to be regarded in the same light constant account the law is as a settlement in a country previously uninstant and the lighted. The law is the first defendant as principal and the lighted. The law is the light of the light law and the lighted of the light law and the law

first defendant's assistant authorised the delivery for the benefit of British commerce. The Let inconsistent with each a law, out its operation is Green Island Commerce. tor the benefit of British commerce. The best inconsistent with agent in law, on its operation is Brief & Cement.

I dislative Connect of Hougkong by one of its said to be precised by the system of land tenure H. Brick & Cement.

I carliest Arts endersed the general introduction which has praviled. The argument as I us. H. & C. Bakery.

I of English law. Ordinance VI of 1815 enseted derstand it is that as the land was ended absorbing to C. Gas. Eaglish law thus adopted was limited to "such that noder was 3 of the Prescription Act, as the cordingly placed in the treasure room of say, on the 5th April, 1843." In 1873, these reversionary estate, however remote. I think the ship, but seeing that the first defendant two provisions were repealed, and by the same that the plaintiff is entitled to have any point was the ship's compradore and the plaintiff's Ordinance (Supreme Court Reconstitution Or- arising outcof the nature of the defendance ngout for the receipt and delivery of cargo, it dimance, 1873). Section 7, it was provided that estate, or put of the general nature of Crown. seems to me that the bailment to the captain such of the laws of England as existed when grants, specially raised by answer. There is no was properly terminated when he handed the the Colony obtained a local legislature, that is law which defines or limits the form of Crown treasure over by direction of the first to say, on the 5th April, 1948, shall be in force great. It depends under the Charter of the treasure over by direction of the first within the Colony subject to the provisions of Colony, upon the instructions which the Governor defendant's assistant and that there was no substituted arrangement relieving the Ordinance XI of 1865 (relating only to certain may from time to time receive. There is nothing, first defendent of his liability if delivery were criminal laws), and except so far as the said laws therefore, to preyent a grant of freehold if

The Puispo Judge said—I am also of opinion Ordinance of 1873. In answer to the defendend with the freehold under special provisions of that this appeal should be dismissed. The facts argument that the English law of pre- an Ordinance). Any single transfer of the bond he is not responsible because it was not his position is quite notemble. It would imply subjects must be in the form of leaves for ly responsible for such cargo and consequently a re-anastment of so much of the older Or- quantion which depends upon the nature of the the parties. The bond states that the plaintiff when it first obtained a local legislature? It is their right. One other point taken by bond, and, moreover, it is stated a new colony. Any claim based upon such an again a L think matter; to be pleaded in duties of a supercargo and ship's compradore, commencement of the Colony within a recent port of the defendant's special contention There was no restrictions as to the cargo he date. The question is therefore, necessarily The motion must therefore by dismined I was to receive or deliver. The cargo was not di- confined to the law which gave n right have had some doubt whether I would not re- This year's New Malwa \$520 another for which the compradore was to be on authorities cited, the cases of the Attorney-Gen cortain orthing but the discussion was perhaps muds the captain responsible for certain corpo a rule of English isw, whether statutory or of

ed over by the chief officer to him or his assis. In the former case the Statute of Mortmain, you will This has not been done. For these reasons I am the Island of Grenada. The Vice-Chancellor, should not Sir William Grant, stated the test to be whether it be a law of local polloy adapted solely to the country in which it was made or a general regulation of property equally applicable to any country in which it is by the rules of English law that property is governed, and he beld it to be the former, for the following reasons. It was passed to prevent a mischief poculiar to England. The exceptions in the statute in favour of certain English Universities and schools would bave no analogous statute for enrolment of alienations inter vivos in Mr. A. J. Lonch, with Mr. H. E. Pollock, in the High Court of Chancery referred only to and Descon's office), appeared for the plaintiff, the Mayor of Lyons v. E. India Co. it was de-
